Everyone is welcome, including your kids!

We have several old (unworn tan uniforms that we can no longer use) that we'd like to make into the dresses. Bring your own pillowcase or use our shirts. We'll provide ribbon and extra additions for the dresses, or you can bring your own. We'll have some sewing machines, or you can bring your fancy ones for embroidery!

Dresses will be donated to a local women's shelter for the little girls. Yes, you can keep ones you've made. 😊 We'll have munchies as well.

Information will be available on upcoming scholarships and awards. If you are interested in serving on the board next year please, contact Van or Lorrie.
