

SNA Awards Program: 2015 State Association Cheat Sheet

Through the SNA Awards Program, SNA and state associations celebrate members who work every day to ensure well-nourished students across the country are prepared for success! SNA Awards include the Employee of the Year, Manager of the Year and Director of the Year.

State Associations & SNA Awards

State associations play a critical role in the SNA Awards Program by:

Promoting the SNA Awards Program

Encourage your members to nominate someone by promoting the SNA Awards Program on your website and in your publications. Flyers, website banner ads, logos and a presentation are available at www.schoolnutrition.org/AwardsToolkit.

Selecting State Award Winners

Each state association is responsible for selecting a winner for the Employee of the Year, Manager of the Year and Director of the Year (if eligible nominations are received). Forms and tips to help you judge your state's nominations are available at www.schoolnutrition.org/AwardsToolkit.
